

# Ergonomic Solutions Student DSA Bundles

*iansyst and Posturite Ltd have worked together to bring you excellent value, stylish, ergonomic solutions that we believe will be very popular with students. By combining the very best of modern design, superior build quality and easy-to-use ergonomics, assessments are now made easier than ever with these catch-all solutions.*

## Herman Miller Sense Desk

The Sense Desk harmonises practicality, elegant design and simplistic style with highly-technical ergonomic quality. It provides high-performance workspace support in an easily assembled framework. Sense is a unique system that requires absolutely no tools for assembly or dismantling. Components simply lock, click or snap in to place, so it's not only quick to order, but quick to build and easy to relocate. With a 12 year warranty included as standard and the flexibility to assemble and disassemble within a couple of minutes, students can be assured that the Sense Desk will last them the life of their course and beyond.

- ▶ Height adjustable legs: 60-82.5cm
- ▶ MFC work surface finish: sizes from 1200 x 800mm
- ▶ Metallic silver aluminium legs

Desk accessories not included

## BUNDLE 1

### HAG H03 340 Chair

The HAG H03 rapidly adjusts to different users, whatever their weight or size. With HAG H03's ingeniously simple 'rocking-chair principle' you are always balanced and stable whilst moving around in your seat. The HAG H03 has a partly upholstered seat and back as well as an individual tilt tension adjustment on the right-hand side of the chair.

- ▶ Back height: 410-490mm
- ▶ Seat depth: 390-490mm
- ▶ Available in black or blue
- ▶ 10 year warranty on all parts
